Database schema diagram (dbdiagram.io)

Tables:

- Billing_Address: billing_address_id, billing_email, billing_street_address, billing_street_address2, billing_state_id, billing_postcode, billing_suburbs, user_id, created_at, updated_at
- Group_Permissions: group_permission_id, group_id, permission_id, created_at, updated_at
- Group_Members: group_member_id, group_id, user_id, created_at, updated_at
- Permissions: permission_id, permission_name, description, created_at, updated_at
- Users: user_id, username, first_name, last_name, date_of_birth, gender, email, email_verified, phone, phone_verified, password_hash, last_login, account_type, sso_provider_id, business_account_id, request_for_delete_at, deactivated_date, profile_picture, created_at, updated_at
- Coupons: coupon_id, discount_type, discount_amount, discount_percentage, maximum_discount_price, minimum_purchase_price, start_date, end_date, issued_to, how_user_was_added, code, number_of_issued_coupons, number_of_used_coupons, excel_file_url, created_by, updated_at
- Event_Groups: event_group_id, event_id, group_id, created_at, updated_at
- Suspensions: suspension_id, rider_id, reason, is_system_suspension, reason_type, starting_from, ending_at, is_active, suspended_by, created_at, updated_at
- Questions: question_id, image_url, question_text, description, created_at, updated_at
- Question_Options: question_option_id, question_id, question_option, description, is_correct, created_at, updated_at
- Rider_Answers: rider_answer_id, rider_id, option_id, is_online, created_at, updated_at
- Riders: rider_id, user_id, latitude, longitude, is_online, is_deleted, is_suspended, passed_quiz, profile_completed, status, last_location_time, emergency_contact_first_name, emergency_contact_last_name, emergency_contact_phone_number, bank_name, bsb_number, account_number, last_exam_date_time, is_approved, is_rejected, visa_valid_from, visa_valid_to, admin_note, rejected_at, approved_at, signature, created_at, updated_at
- Vehicles: vehicle_id, rider_id, is_current_vehicle, vehicle_type, model_year, manufacturer, transport_photo, driver_license, driver_license_valid_from, driver_license_valid_to, insurance_policy, insurance_policy_valid_from, insurance_policy_valid_to, expiry_date, created_at, updated_at, unique_is_current_vehicle_check
- Events: event_id, title, link, contents, start_date, end_date, send_push_notification, banner_image_url, created_at, updated_at
- Penalties: penaltie_id, rider_id, reason, deducted_amount, description, order_number, is_warning, is_active, admin_id, created_at, updated_at
- Reviews: review_id, user_id, rider_id, order_id, review, rate, created_at, updated_at
- Vehicle_Basic_Prices: vehicle_basic_price_id, vehicle_type, price, is_latest, previous_id, created_at, updated_at, unique_vehicle_type_check
- Orders: order_id, order_number, customer_id, customer_full_name, message, customer_phone_number, coupon_id, rider_id, total_price, total_distance, estimated_total_time, age_limit, delivery_details, vehicle_type, order_status, refund_at, review_id, card_number, completed_at, payment_status, paid_at, boosted_payment_id, delivered_at, ready_for_assignment_at, assigned_at, is_forced_assignment, boosted, created_by_admin, cancelled_at, assigned_by, created_at, updated_at
- Transport_Basic_Prices: transport_basic_price_id, previous_id, vehicle_type, basic_price, previous_basic_price, price_per_minute, pickuptime_asap_price, pickuptime_2hours_price, pickuptime_today_price, pickuptime_otherday_price, is_latest, created_at, updated_at, unique_transport_basic_prices_size_check
- Size_And_Weight_Descriptions: size_weight_description_id, size, size_description, weight, is_latest, previous_id, created_at, updated_at, unique_size_check
- None_Business_Hour_Rates: none_business_hour_rate_id, start_time, end_time, rate, created_by, is_latest, created_at, unique_start_time_end_time_check
- Rider_Payments: rider_payment_id, rider_id, distance, price, is_exported, is_paid, payment_cycle, exported_at, created_at, updated_at
- User_Favorite_Address: favorite_address_id, user_id, long_address, short_address, custom_address, nick_name, latitude, longitude, address_type, created_at, updated_at
- Sso_Providers: sso_provider_id, sso_provider, created_at, updated_at
- Business_Accounts: business_account_id, company_ABN, company_name, logo_url, is_active, created_at, updated_at
- States: state_id, name, code, logo_url, is_active, state_id, created_at, updated_at
- Service_Areas: service_area_id, name, code, is_active, state_id, created_at, updated_at
- Ma_Groups: group_id, name, description, group_type, created_at, updated_at
- Password_Resets: password_reset_id, user_id, is_Active, code, revealed_by, created_at, updated_at
- Faq: faq_id, question, answer, is_for_rider, created_at, updated_at
- User_Coupons: user_coupon_id, coupon_id, user_id, created_at, updated_at
- Cancellation_Requests: cancellation_request_id, type, status, cancellation_fee, refund_amount, reason, photo_urls, remark, cancelled_by_type, cancelled_by, paid_at, order_id, created_at, updated_at
- Cancellation_Rider_Requests: cancellation_rider_request_id, status, reason, photo_urls, remark, cancelled_by, response_at, response_by, order_id, created_at, updated_at
- Extr_Fees: extr_fee_id, message, amount, card_number, payment_status, price, paid_at, sent_at, order_id, created_at, updated_at
- Destinations: destination_id, destination_latitude, destination_longitude, destination_address_text, sequence, recipient_phone_number, price, estimated_time, safe_storage, specific_recipient, recipient_name, status, delivery_by, created_at, updated_at
- Delivery_Details: delivery_detail_id, pickup_latitude, pickup_longitude, pickup_address_text, estimated_time, pickup_time, base_time, picked_up_date_time, desired_arrival_date_time, picked_up_by, picked_up_notes, recipient_phone_number, recipient_name, delivery_photo_urls, order_id, created_at, updated_at
- Evidences: evidence_id, destination_id, urls, recipient_name, recipient_DOB, note, time, created_at, updated_at
- Ma_References: reference_id, order_ids, amount, currency, pgp_reference, payment_method, result_json, created_at, updated_at
- Items: item_id, name, size_weight_description_id, item_classification, photo_urls, destination_id, created_at, updated_at
- Note_Delivery_Details: note_delivery_detail_id, note, photo_urls, delivery_detail_id, created_at, updated_at
- Note_Destinations: note_destination_id, note, photo_urls, destination_id, created_at, updated_at
- Advertisements: advertisement_id, title, content, image_url, created_at, updated_at
- Rider_Commissions: rider_commission_id, basic_commission, overtime_rate, holiday_rate, is_latest, previous_id, created_at, updated_at, unique_rider_commission_check
- Peak_Time_Rates: peak_time_rate_id, is_weekend, start_time, end_time, rate, is_latest, is_deleted, previous_id, created_at, updated_at, unique_peak_time_rate_check
- Payment_Webhook_Payloads: payment_webhook_payload_id, pgp_reference, merchant_reference, original_reference, event_code, reason, payment_method, amount, success, payload, created_at, updated_at
- Announcements: announcement_id, title, content, image_url, created_at, updated_at
- App_Versions: app_version_id, app_name, update_type, version, created_at, updated_at
- Driver_Guides: driver_guide_id, file_url, description, is_important, created_at, updated_at
- Pickup_Time_Basic_Prices: pickup_time_basic_price_id, pickup_time, vehicle_type, previous_id, price, is_latest, created_at, updated_at, unique_vehicle_type_pickup_time_check
